It starts with one can. To feed the hungry. To lift the spirit. To change the world. Canstruction®, a charity committed to ending hunger, is using 'one can' as a catalyst for change. Over 6.5-million pounds of food per year are distributed **FREE** of charge by The Volunteer Way to low income and homeless families, children, seniors, food pantries, soup and kitchen and other organizations that can't afford to pay for the food.

**Canstruction's 4th annual Design/Build Competition** puts a visual spotlight on hunger while showcasing the Pasco, Hillsborough and Pinellas design community's best and brightest.

**Think, Do you have what it takes to design and build a structure made of nothing more than canned food, ingenuity, and luck?**

**Enter today. Get creative and help stop hunger. ONE CAN**
